**FISCAL IMPACT STATEMENT**

**LS 7653**

**BILL NUMBER:** SB 549

**NOTE PREPARED:** Mar 1, 2005

**BILL AMENDED:** Feb 28, 2005

**SUBJECT:** Self-Insurance for Amusement Rides.

**FIRST AUTHOR:** Sen. Broden

**FIRST SPONSOR:** Rep. Whetstone

**BILL STATUS:** As Passed Senate

**FUNDS AFFECTED:**     **GENERAL**  
                              **DEDICATED**  
                              **FEDERAL**

**IMPACT:** State & Local

**Summary of Legislation:** This bill exempts a governmental entity that is subject to the tort claims act and files notice of self-insurance from the requirement that an amusement device operator must purchase a certain amount of liability insurance coverage.

**Effective Date:** (Amended) Upon Passage.

**Explanation of State Expenditures:** A state agency could be affected by this bill if it applies for any of the affected permits. See *Explanation of Local Expenditures*.

**Explanation of State Revenues:** *Office of State Building Commissioner:* The bill could potentially affect the number of permits issued by the Commissioner, which range in price from \$25 to \$288. In FY 2004, the permits offered for regulated lifting devices and regulated amusement devices generated approximately \$2.2 M in revenue, which was deposited in the Fire and Building Services Fund.

**Explanation of Local Expenditures:** This bill would allow a governmental entity to obtain a permit to operate an amusement device by submitting notification of being self-insured, rather than submitting proof of having an insurance policy. By allowing a governmental entity to consider itself self-insured, the bill could have a fiscal impact if the entity saves expenses from not making insurance premium payments. Alternatively, expenses could increase if an occurrence caused a higher amount to be paid out than what might have otherwise been paid in premium payments.

**Explanation of Local Revenues:** The bill could also potentially have a fiscal impact if the entity could accrue

interest on the money that would have been spent on premium payments.

**State Agencies Affected:** Office of State Building Commissioner; Governmental entities.

**Local Agencies Affected:** Governmental entities.
